1 Plaintiff's counsel had a baby girl in early February. She was diagnosed with a rare cardiac
 2 condition and underwent open heart surgery last week. She will be in intensive recovery for
 3 approximately two months, and normal recovery for another four. There is a very real possibility she
 4 will undergo a second operation in the near future. Plaintiff's counsel has been and will continue to
 5 be in the office sporadically so he may care for his daughter.
